

ENTRY MATERIALS

Below is a description of the entry materials for the *Professional Builder* Design Awards competition. Entry forms can be downloaded from [www.ProBuilder.com/PBDesign Awards](http://www.ProBuilder.com/PBDesignAwards) and will also be emailed to entrants after they submit.

Entrant materials include:

1. ENTRANT INFORMATION FORM

2. PROJECT INFORMATION FORM

3. PROJECT STATEMENT FORM

4. DRAWINGS AND PLANS

a. GENERAL – Floor plans are required for all entries. Submit floor plans and any other drawings appropriate to the category (wall sections, energy construction details). A brochure that includes the floor plans and a list of features is also acceptable. Names of the builder, land planner and/or designer must be obliterated.

b. SITE PLAN – Required for all entries in attached categories. Include a site plan of the project and identify the location of the unit entered on the site plan.

6. PHOTOGRAPHS

8x10 at 300dpi COLOR photographs of the entry must be submitted. Include exterior (front and rear elevations), interior photographs depicting living spaces and discretionary interior photos.

NOTE: When choosing photographs to submit, understand that the quality of the photography is very important. Please submit photography suitable for judging. Photos should illustrate the design features described in the project statement.

IMPORTANT: The names of the builder, developer, designer, interior designer, architect and/or land planner should appear only on the Entrant Information form. Any mention of individual or company names on any part of the entry will disqualify the entry. All materials submitted to the *Professional Builder* Design Award program become the property of *Professional Builder*. *Professional Builder* retains publishing rights for this material.

NO REFUNDS.
